KOOPERS TWIN STROLLER - USER MANUAL (Second-hand Unit Owner Copy)
Brand: Koopers | Type: Twin Stroller, side-by-side | Owner record: Arjun Mehra, Jurong East, $120 second-hand me liya hua

1. Stroller ko Pehchano
Ye wala stroller judwa bachcho ke liye bana hai, dono seat paas-paas lagi hui hai aur neeche saamaan rakhne ki tokri bani hui hai.
Frame lohe ka hai, kapda nikaal kar dhone layak hai aur peeche dono pahiyo par brake lock laga hua hai.

2. Kholna (Unfold) Kaise Hai
Pehle stroller ko dono haath se seedha khada karo aur side wala lock clip kholo.
Phir handle ko halka upar kheench kar dono taraf se frame ko poora khulne tak dabao, kat ki awaaz aane tak zor lagao.
Aakhir me dono seat ka kapda haath se seedha karo aur check karo ki frame dono taraf se lock ho gaya hai, bina lock ke bachche ko mat bithaao.

3. Band Karna (Fold) Kaise Hai
Pehle dono seat khaali karo aur neeche wali tokri se saamaan nikaal lo.
Phir dono taraf wala fold button ek saath dabao aur handle ko aage ki taraf dheere se modo.
Frame apne aap patla ho jaayega, uske baad side wala lock clip lagaa do taaki khula na rahe.

4. Brake Lock Kaise Lagaao
Peeche dono pahiyo par laal rang ka chhota pedal laga hai, pair ke anguthe se neeche dabaa do to brake lag jaayega.
Brake lagaane ke baad stroller ko halka aage-peeche dhakel kar pakka karo ki hil nahi raha hai.
Chalne se pehle pedal ko upar uthaakar brake kholo, bina brake khole zor se mat kheecho.
Hamesha bachche ko bithaate aur uthaate time brake lagaa kar rakho.

5. Harness aur Dhulaai
Kandhe wali dono patti ko kamar wali patti ke buckle me daal kar dabao, click ki awaaz aayegi tabhi lock samjho.
Patti itni tight rakho ki tumhaari do ungli aaraam se andar jaaye, zyada dheeli mat rakho.
Harness ko garam paani me mat ubalo, halke sabun aur geele kapde se ponchh kar chhaaon me sukhaao.
Seat ka kapda nikaal kar thande paani me haath se dho sakte ho, washing machine me tez mode par mat dhona.

6. Max Load Table
Single seat max: 15 kg tak ek bachcha
Dono seat milakar max: 30 kg tak dono bachche
Neeche tokri max: 3 kg tak saamaan
Handle par thaila mat taango, stroller palat sakta hai.

7. Safety Warnings - Dhyaan Dene Wali Baat
Bachcho ko stroller me akela chhod kar mat jaao, chahe brake laga ho tab bhi paas me raho.
Seedhi, escalator aur tez dhalan par stroller lekar mat chadho, lift ka istemaal karo.
Dhoop me zyada der khada mat rakho, frame garam ho jaata hai aur bachche ko lag sakta hai.
Second-hand liya hai isliye har hafte screw, pahiya aur brake check karo, kuch dheela lage to use karne se pehle theek kara lo.
Koi toot-phoot dikhe to Carousell seller ya Koopers service centre se poochhe bina jugaad se mat jodo.
